Our Manage

We all appreciate the wonderful job that the School Board has done for us this year. Even though we do not see these people at work, we know they have done a great job for our school.

The students of Stanley would like to thank Mr. Ellis for the outstanding job he has done this year as Superintendent of the Lafayette Elementary School District.

Our deep gratitude goes to Mr. Don Williams. He has done a great job in assisting Mr. Ellis.

ment

To the Graduates:

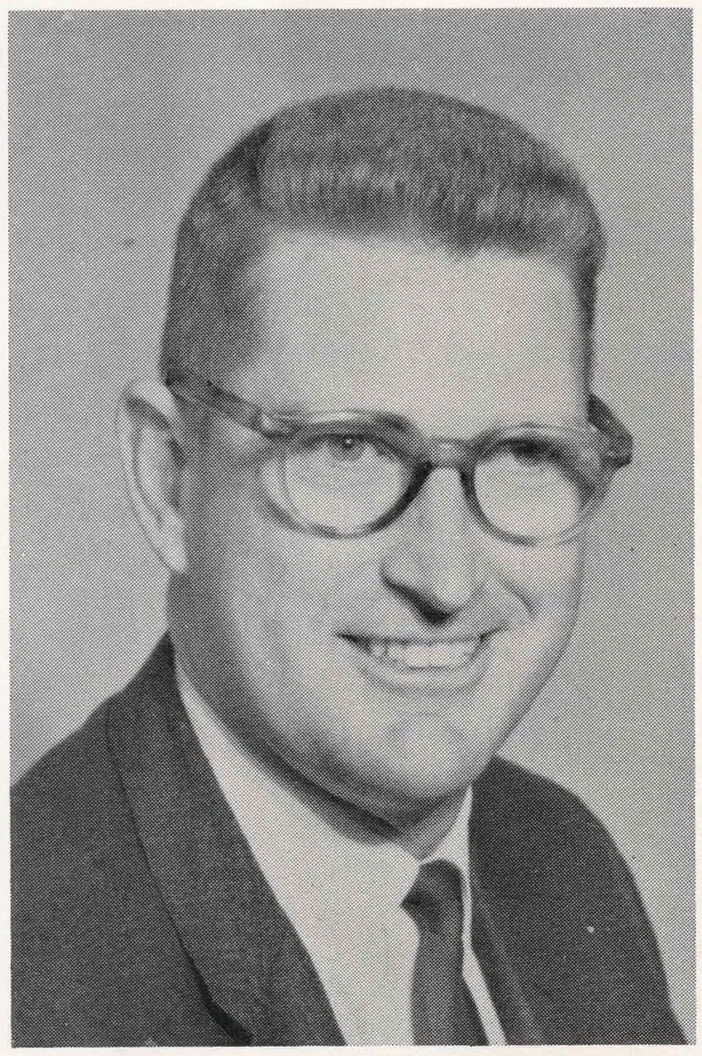

You have every right to feel proud of the many accomplishments achieved through the cooperative efforts of the faculty and student body during this school year of 1960-61. It is evident that your eighth grade class has upheld the high standard of academic learning as well as the reputation for good sportsmanship and friendliness, which the M. H. Stanley School has enjoyed for so many years.

Please permit me to offer my personal congratulations on your step up the educational ladder and to encourage you to use your abilities to the utmost in order to enhance your enjoyment of all that is to come.

This year has been a most interesting and pleasurable one for me. I have enjoyed working with a group of students whose enthusiasm and cooperation have been so outstanding.

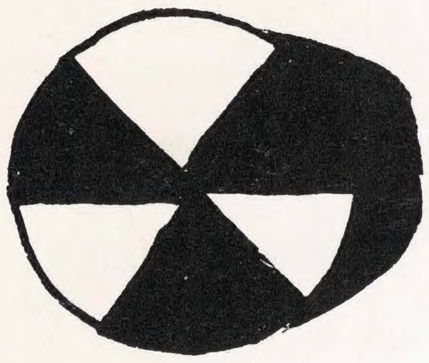

The eighth graders who are now leaving Stanley have carried on the fine traditions of good sportsmanship and courtesy established by former Stanley students, as well as maintained high academic standards.

As you leave us, I would like to send with you a thought - a quotation which merits your consideration as you continue your schooling. It is as true today as when Euripides said it over twenty-three hundred years ago - "Whoso neglects learning in his youth, loses the past and is dead for the future." My best wishes for your continued success.

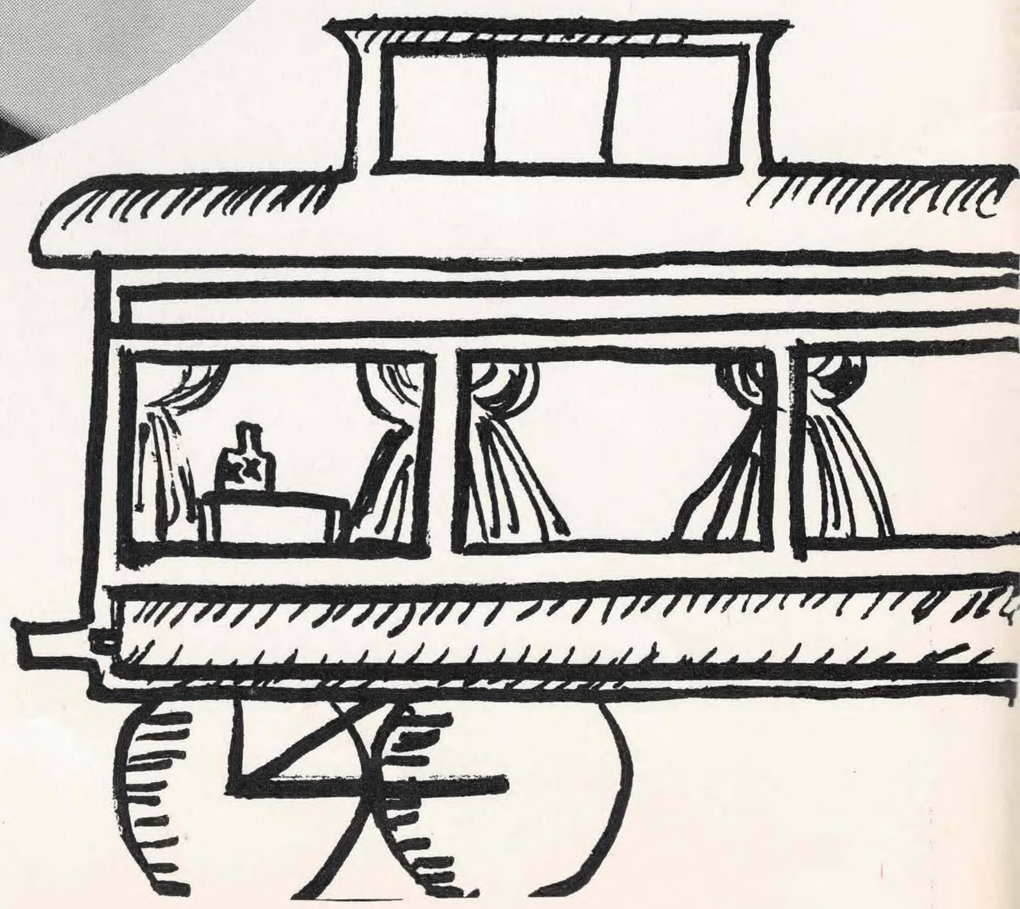

Big Wheels

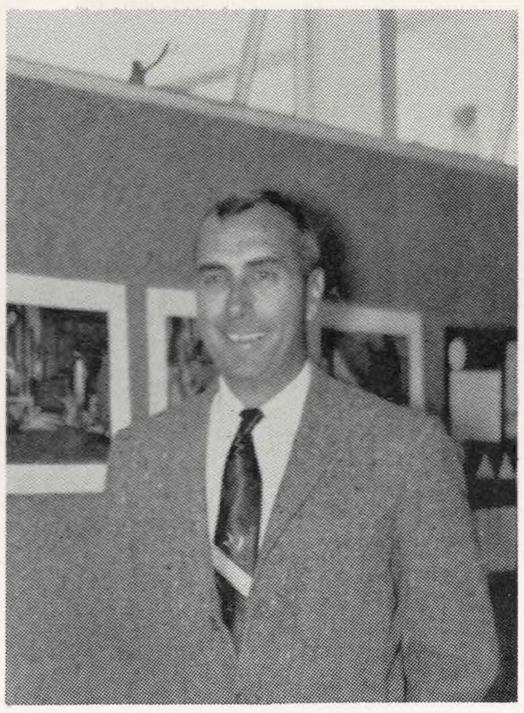

This year is is our pleasure to dedicate this yearbook to our four committee chairmen. They must BE A VERsatile group to have adapted to their many responsibilities. No one, surely noT US SINGle-handedly could have contributed more to STANLEY in the way of service than they did, as SMITHs who forged our activities. We, the student body, should realize the many problems which they overcame during the year. In spite of criticism, they never faltered. It is with this realization that we proudly dedicate our yearbook to them . . .

End of

the Line . . .

Alan,

You're one of the sharpest guys I've ever known. I can't tell you how much I like you and probably always will. It's been a lot of fun this year and I'm glad we finally got together. Be good over the summer and don't do anything I wouldn't do. OK? OK. Well, I'll see you next year if not sooner, and I promise to write you if you want me to.

Good luck always,

Al,

To one of the sharpest guys I know.

You sure have a perfect personality don't lose it. Good luck always and stay with Kathy she's so sharp!

Love,

Lynn

Al,

To one big with a future a smart guy and a neat guy and a steal. All the best in high school!

Love Julie '61

Atom Gulls

John Draft

Good Luck with Mr Dermots team
Dave Lee
(100 to me)

To Al,

The greatest shortstop that ever lived (if he tried once in awhile). Good Luck at acalanes with baseball, girls and grades (?)

(except for
